HAND AND PALM

ART AND OTHER LOVELY THINGS

Hand and Palm is an independent creative studio founded by Luci, a Cornwall-based designer and illustrator. With a focus on nature, food, and life's simple pleasures, Luci creates art and other lovely things from her home studio. Her prints and cards are designed with a playful, relatable style, combining her original illustrations with quotes from personal experiences. All products are crafted with care, featuring unique designs that are made-to-order and printed on high-quality, 100% recycled paper. Every item is packed in recyclable packaging. Perfect for retailers of all sizes and customers looking for something engaging, personal and beautifully made.
